Aj! aj! miten korkealle se menee.

Lapsi!!!

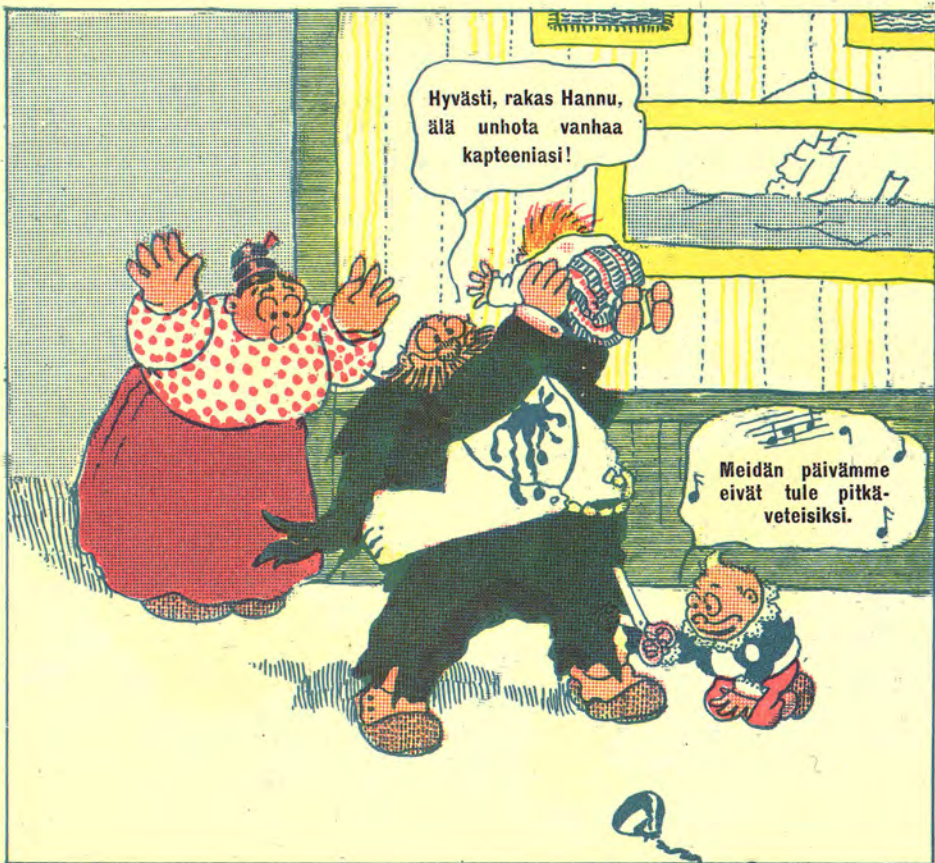

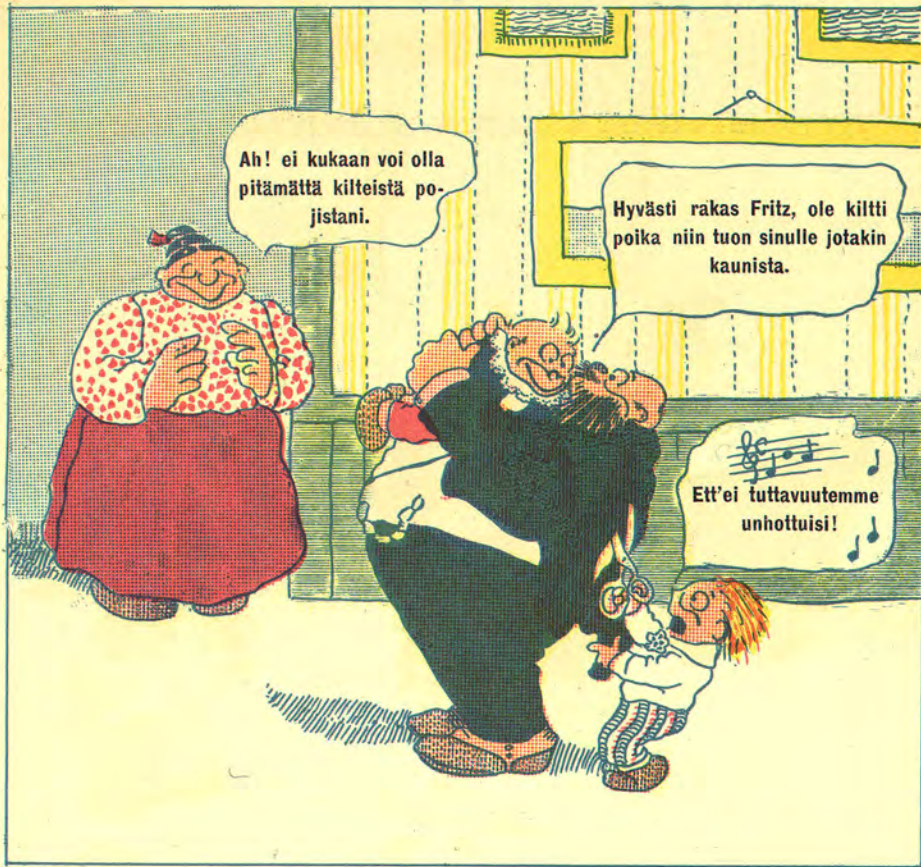

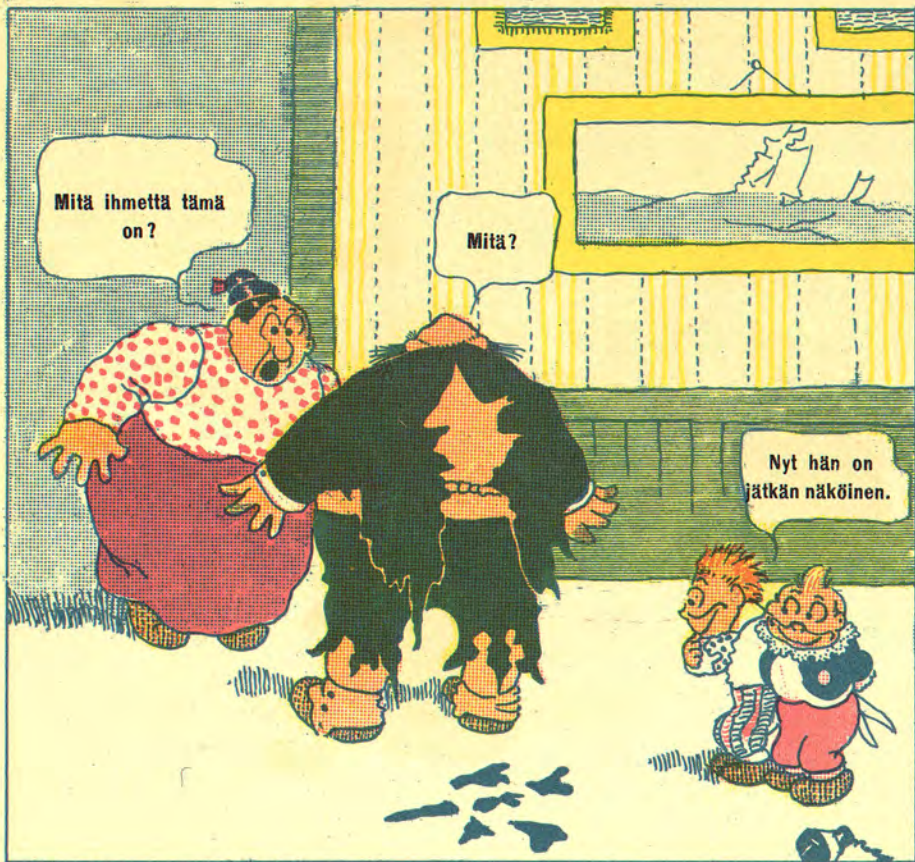

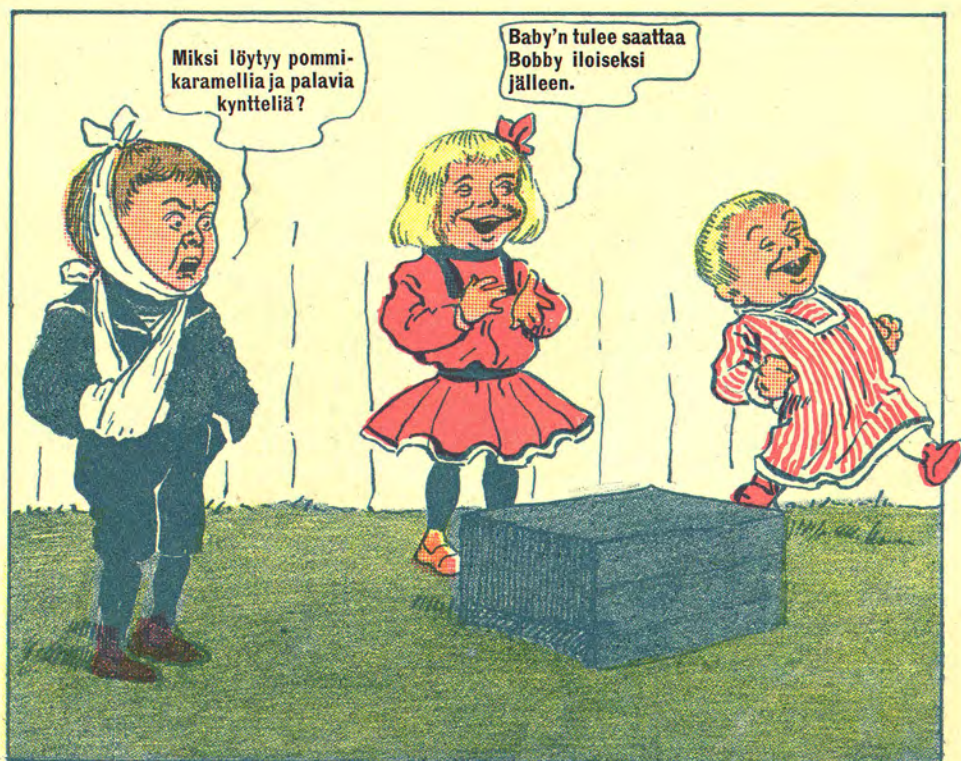

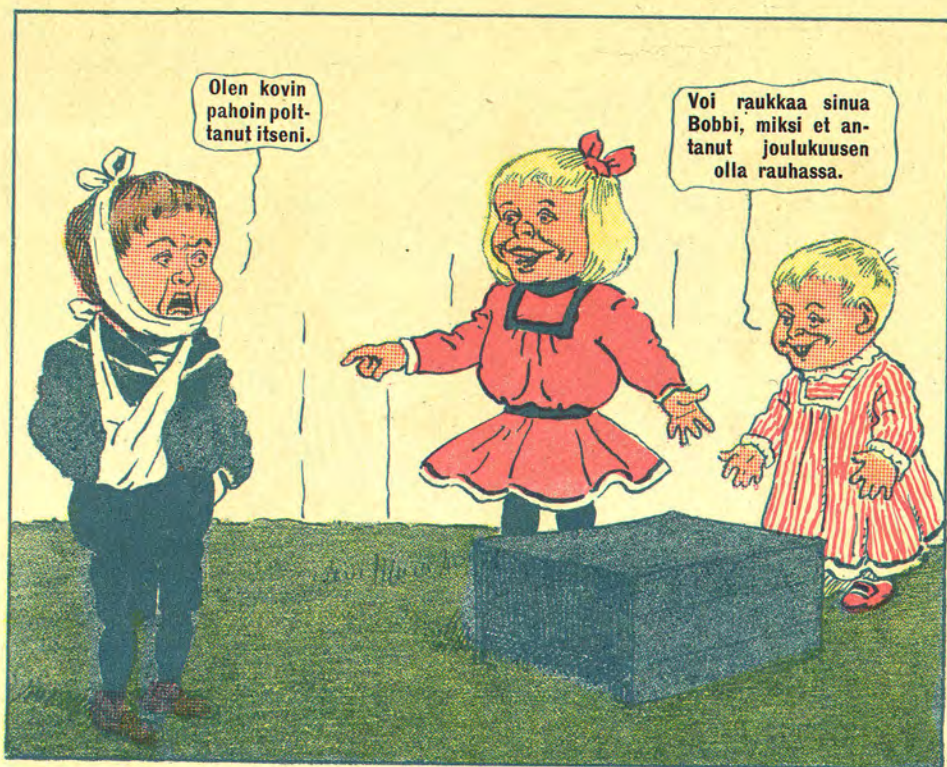

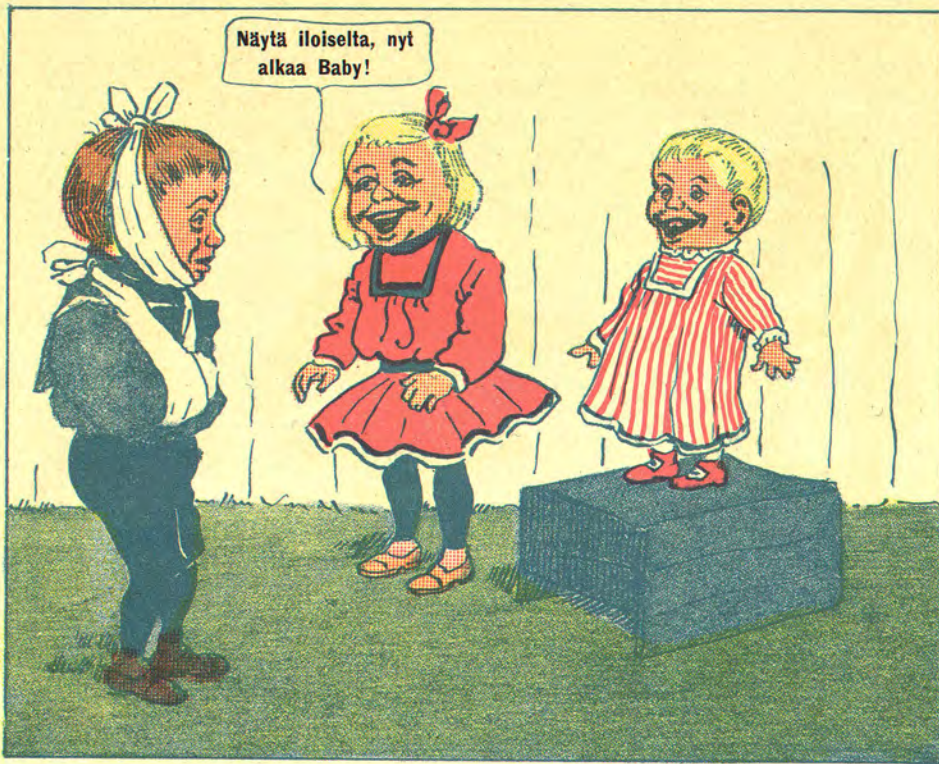

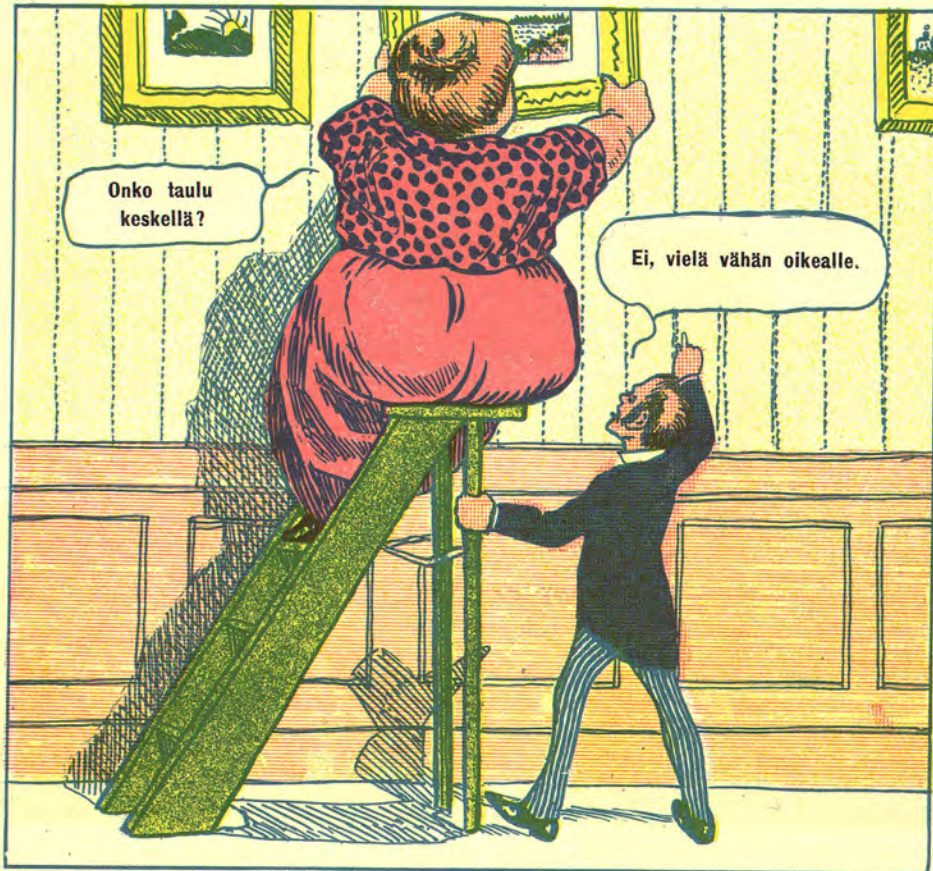

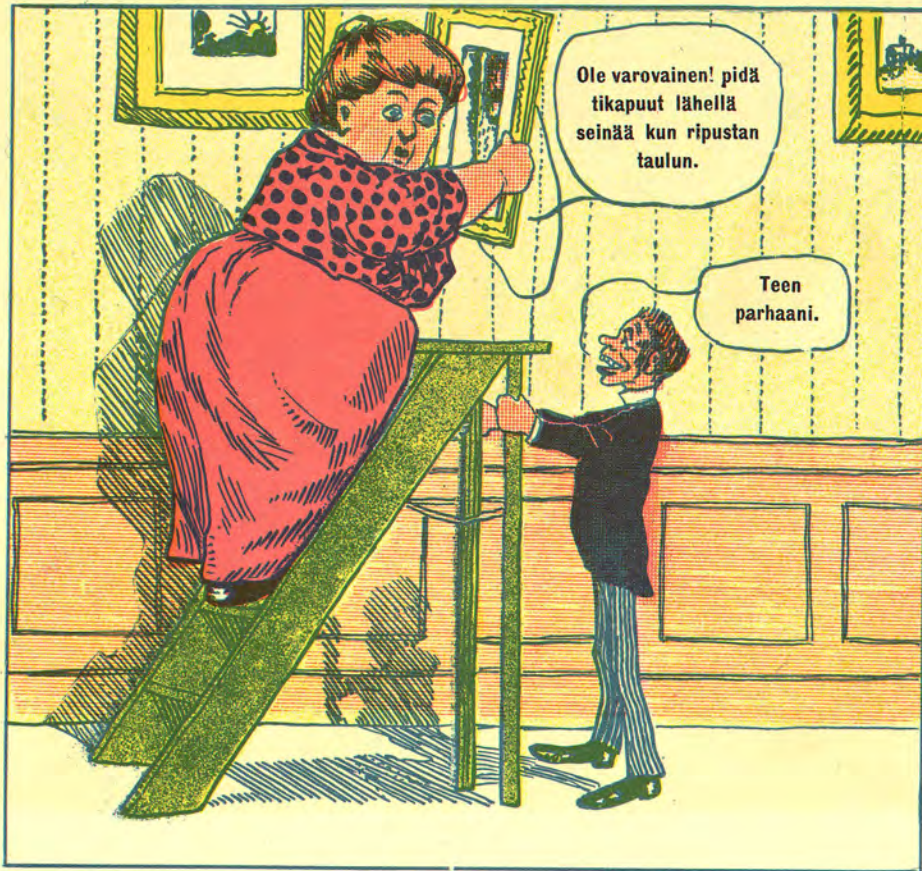

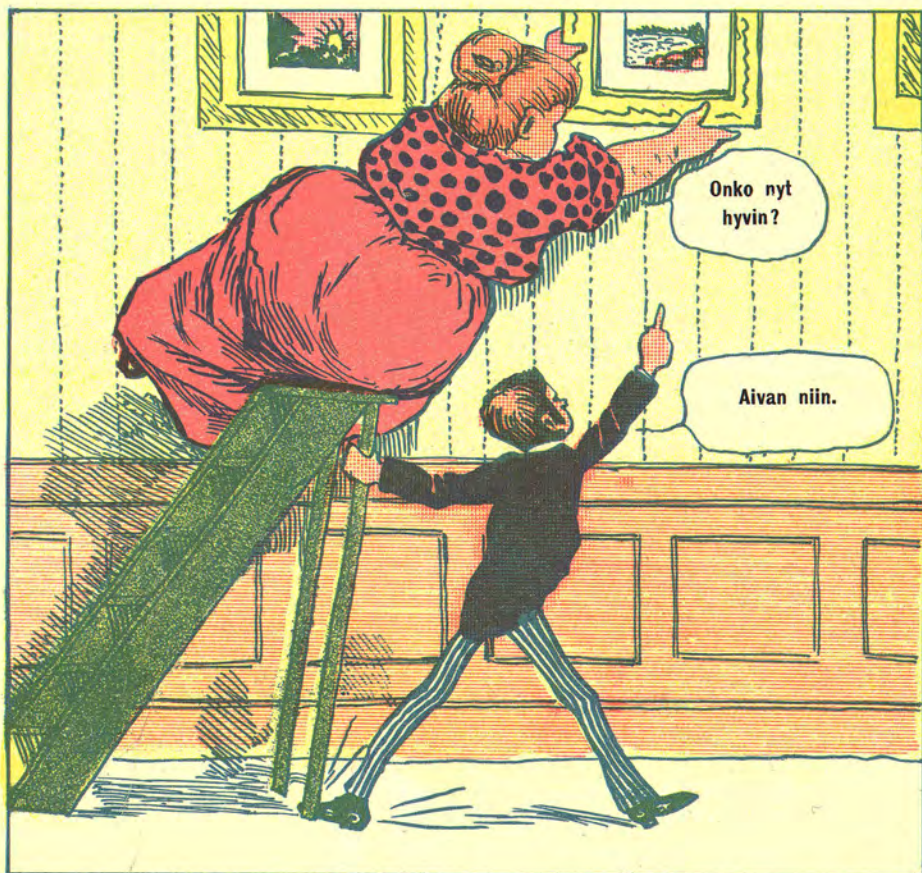

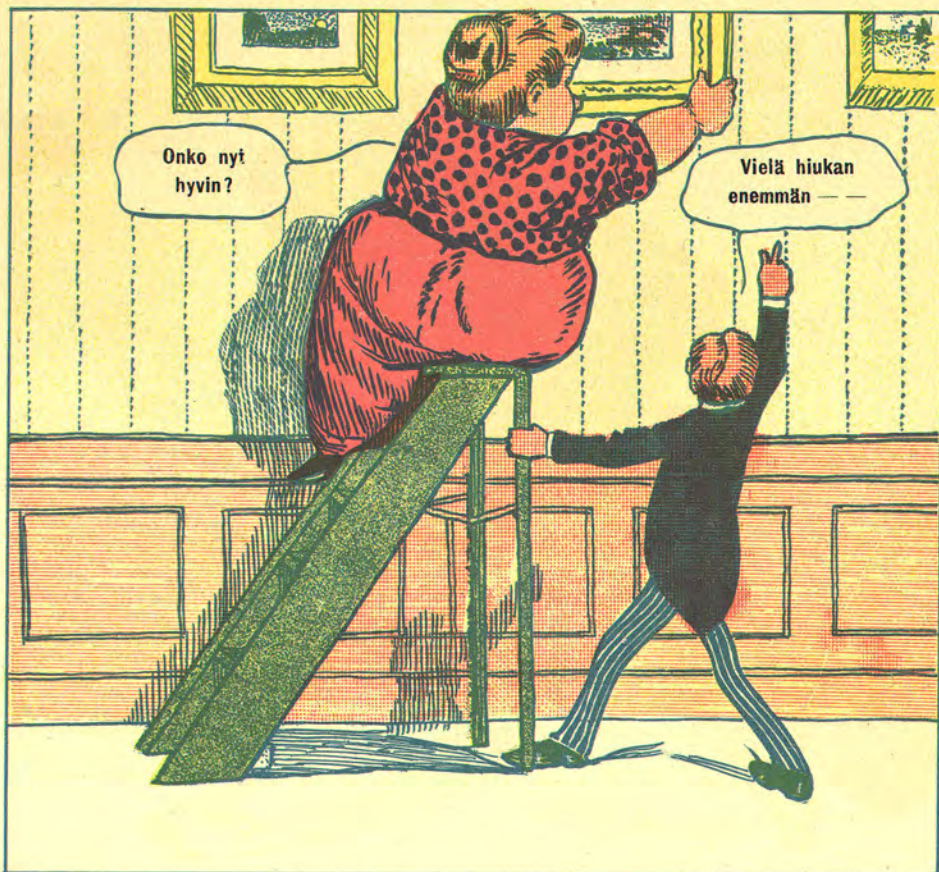

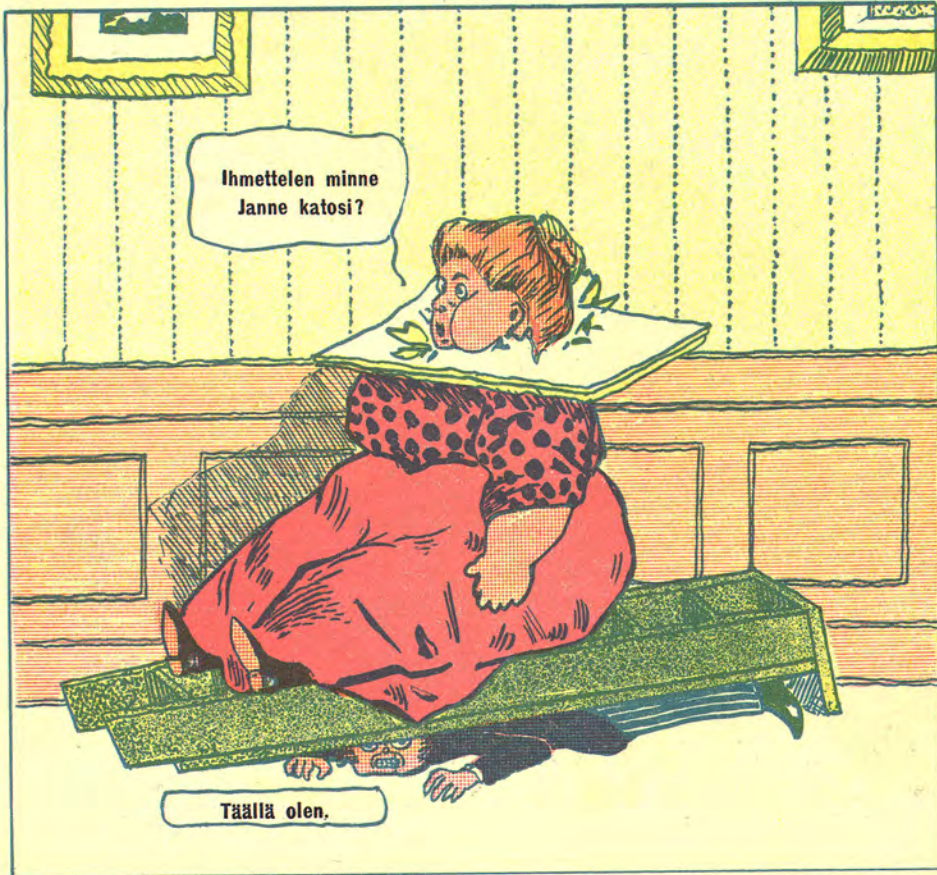

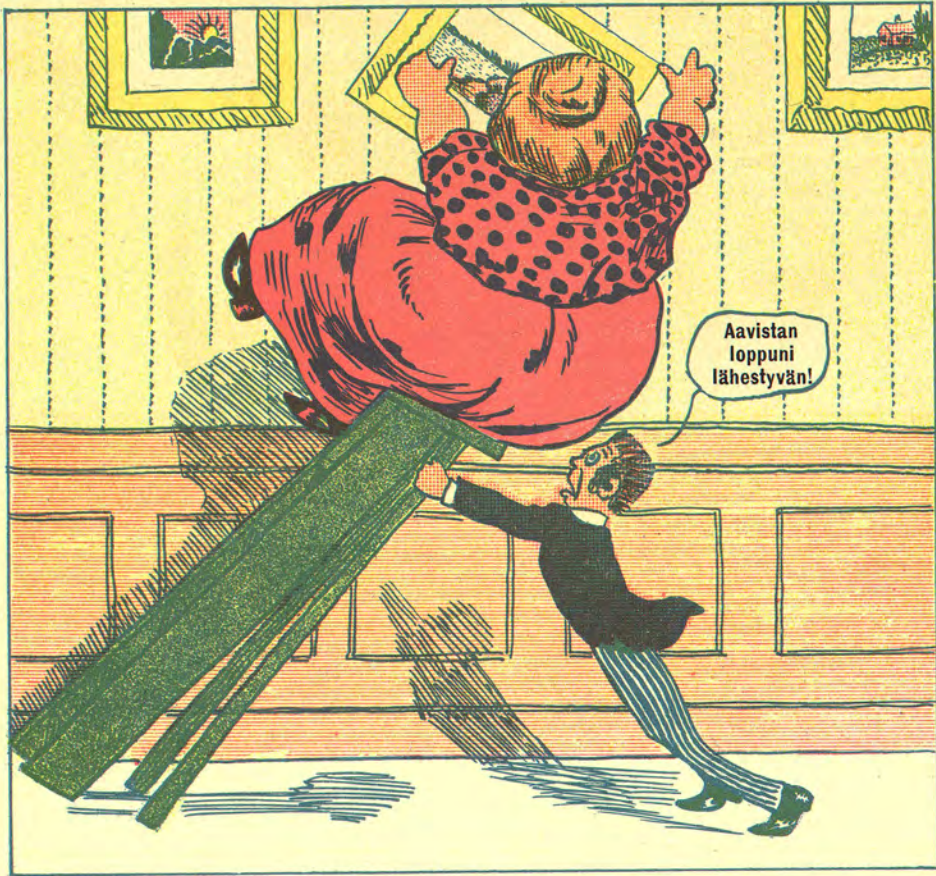

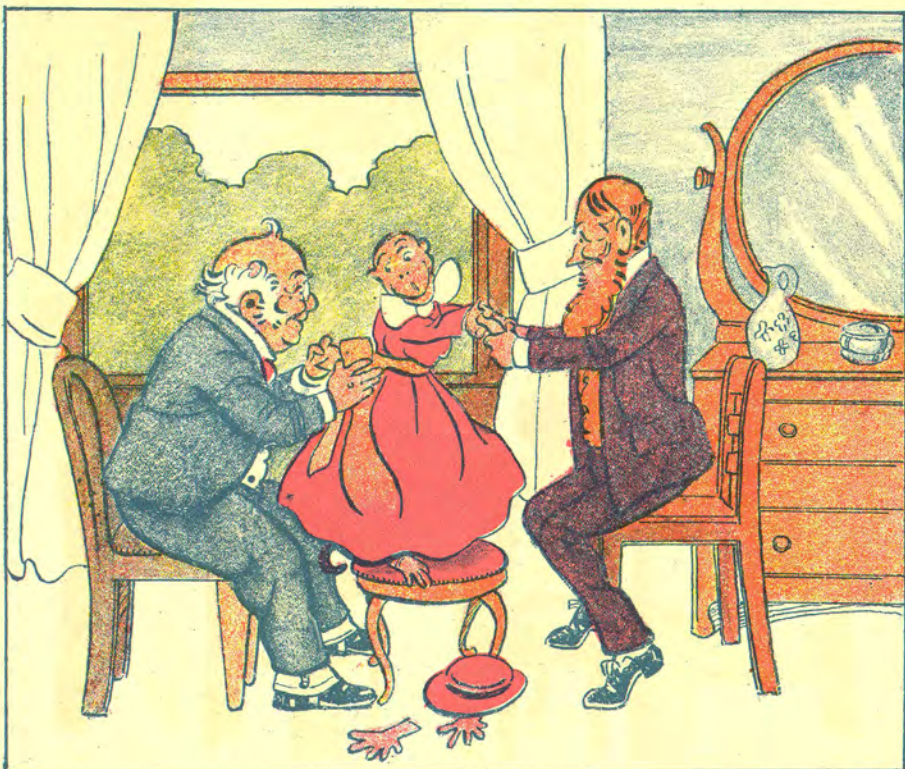

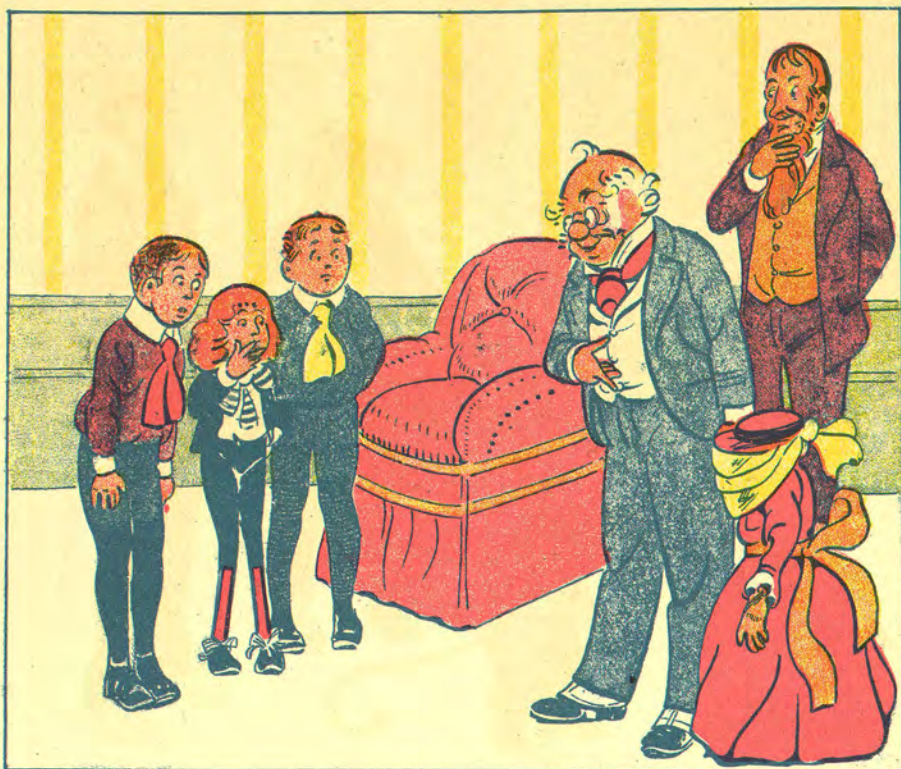

Alex! ostakaamme tämä pieni apina pojille. Saamme paljon hauskuutta siitä.

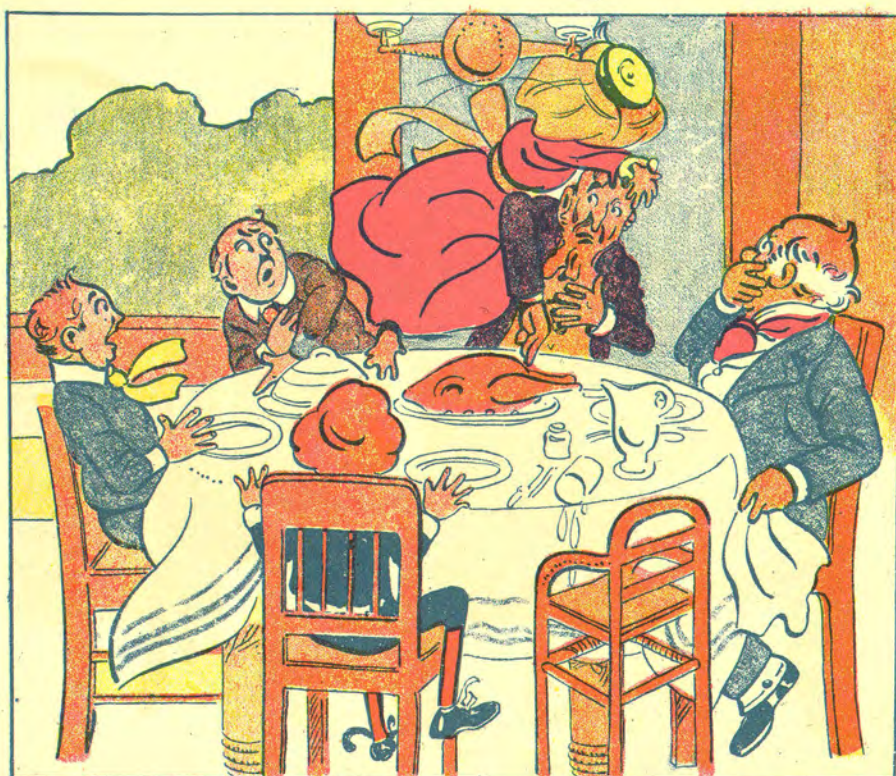

Puemme sen ensin pieneksi neidiksi.

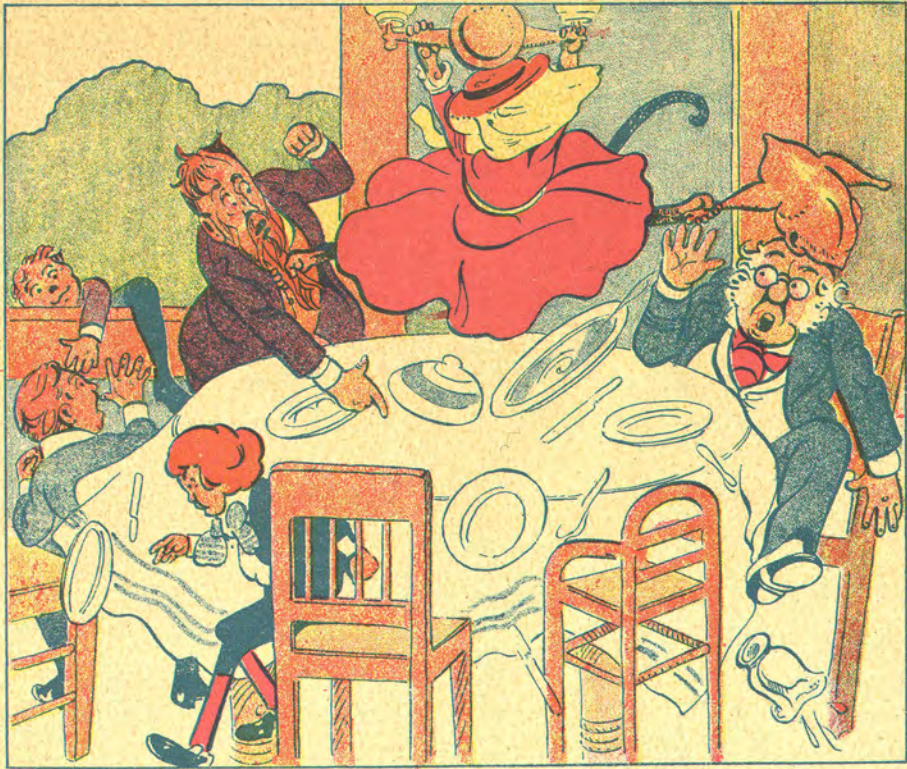

Hei pojat! tässä tuomme pienen, sievän neidin, joka syö päivällistä kanssanne. Kuten näette, on hän niin ujo ett'ei halua ottaa harsoa silmiltään. Viekää hänet ruokasaliin.

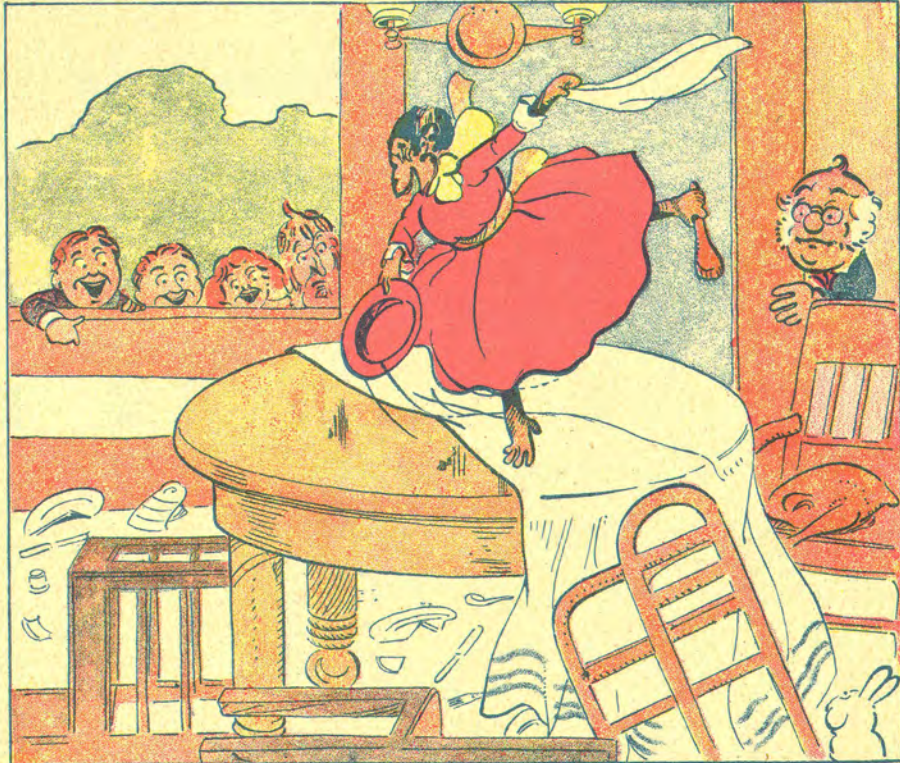

Oi! Oi! miten kauhea ruokailutapa!!

Voi! Voi! eno ei hän ole lainkaan ujo.

Katsokaa, se on apina!
